

Monday January 13, 2020

Dear Families,

We have been informed today the Ontario English Catholic Teachers' Association (OECTA) announced its members will engage in a one-day strike on Tuesday, January 21, 2020. This means there will be a full withdrawal of services in all Catholic elementary and secondary schools across the province

We are working with our school partners and **will** continue to offer care to our families at selected locations as we recognize the hardship that school closures can cause. Please fill out the registration/payment form and return to your supervisor by Friday January 17, 2020 to secure your child care space.

We apologize for the inconvenience this is causing our families, please continually check for updates on our Website.

Sincerely:

Jennifer Bagshaw RECE
